Dear Ms. Duong,

This is in response to the Notice of Noncompliant Amendment (37 CFR 1.121) mailed 1/4/2008.

Thank you for the notice. The attached amendment is signed by me, the inventor. Originally there were two inventors for this application. As a result of my petition granted on 10/20/2004, and in effect for the life of the application, my signature as inventor should be sufficient to satisfy the instructions in section 714.01a.

I believe this should be sufficient for continued prosecution of this application, and would appreciate any comments to the contrary as soon as possible.

I have also attached a Change of Correspondence form to correct our mailing address.

Best Regards,

Oleg Logvinov – Inventor/Applicant  
CEO  
Arkados Group
